### Notes from the RS:

Reminder to clubs to schedule your annual club business meeting if you haven't done so already. You also need to make sure you have your nominating committee for club officers in place 90 days ahead of your annual meeting. If you have any questions regarding this please process contact Amanda and she can help to guide you.

Please send any club news or upcoming events to Andrea ([atnelson6@comcast.net](mailto:atnelson6@comcast.net)) by the end of each month to be included in the next month's newsletter. Also DC's please email Andrea as your members pass their ratings. We would like to congratulate them in the monthly newsletter and this would be the easiest way to keep track of everyone. In addition, if you can pass along ratings from this summer for both UL testings and club level we will feature them in the next edition of the newsletter.
